3. Search using “pds odisha” keyword.

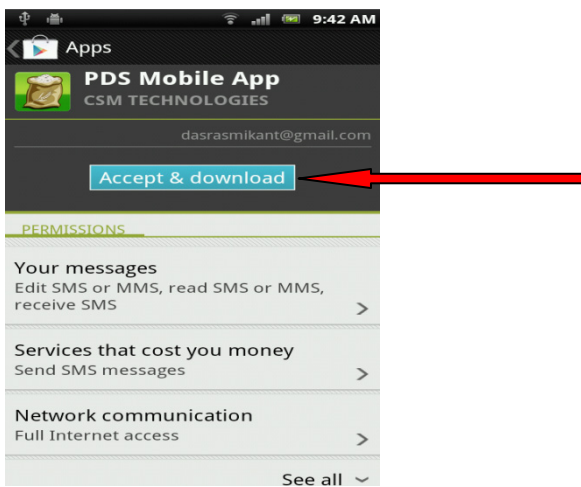

4. Find the application and click on it.

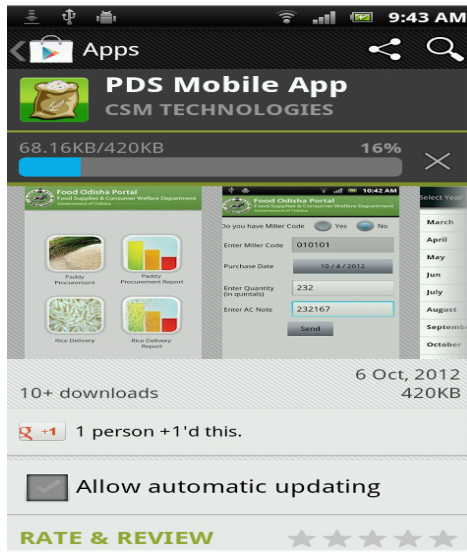

5. Then click on install button.

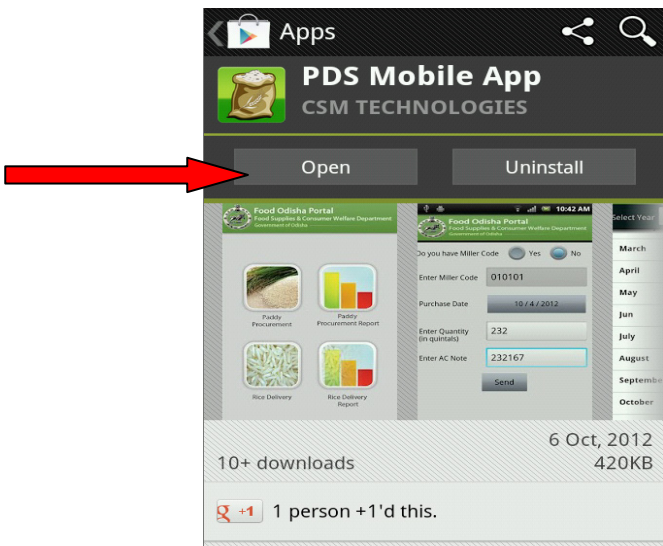

6. Then click on Accept & download button.

7. Then wait for some time to complete the installation process.

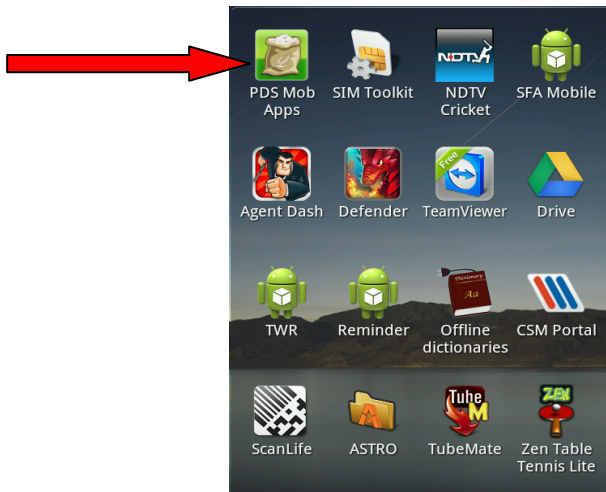

8. After installation click on open button.

## B. Usage Process

1. After successfully installation, open the application on your mobile.

2. The dashboard will open containing four Icon

- Paddy Procurement
- Paddy Procurement Report
- Rice Delivery
- Rice Delivery Report

## Rice Delivery

1. Clicking on Rice Delivery button in dashboard, you will get a form (screen shoot as below), which have to be filled up by miller.

Do you have Depot Code ☐ No ☐ Yes

Rice Type: Boiled

Agency/Levy A/c: OSCSC

Delivery Date: --- Select Date ---

Enter Quantity (in quintals):

KMS: 11-12

Purchase From District: ANGUL

Enter AC Note:

Send

2. If a miller knows the depot code, then choose 'YES' radio button. The miller will be asked to fill depot code in miller code textbox.

Do you have Depot Code ☐ No ☒ Yes

Enter Depo Code: 112233

Rice Type: Boiled

Agency/Levy A/c: OSCSC

Delivery Date: 19-Oct-2012

Enter Quantity (in quintals): 333.22

KMS: 11-12

Purchase From District: BHADRAK

Enter AC Note: 4444

3. If a miller doesn't know the depot code, then choose 'No' radio button. Immediately a popup will open, where miller has to choose District Name, Depot and have to press submit button. A corresponding depot code in miller code textbox will fill automatically.

The screenshot shows the 'Food Odisha Portal' interface. At the top, it says 'Food Odisha Portal', 'Food Supplies & Consumer Welfare Department', and 'Government of Odisha'. Below this, there's a question 'Do you have Depot Code' with two radio buttons: 'No' (selected) and 'Yes'. Underneath, there's a 'Rice Type' dropdown menu set to 'Boiled'. A green 'Select Depot' popup is displayed, containing a 'District Name' dropdown set to 'ANGUL', a 'Depot Name' dropdown set to 'Hatta Chhak', and a 'Submit' button. Below the popup, there's an 'Enter AC Note' text field. Further down, there's a 'KMS' dropdown set to '11-12' and a 'Purchase From District' dropdown set to 'ANGUL'.

4. Then choose Rice Type (Boiled or Raw).

The screenshot shows the 'Food Odisha Portal' interface. At the top, it says 'Food Odisha Portal', 'Food Supplies & Consumer Welfare Department', and 'Government of Odisha'. Below this, there's a question 'Do you have Depot Code' with two radio buttons: 'No' (selected) and 'Yes'. Underneath, there's an 'Enter Depo Code' text field containing '010601'. A white 'Select Rice Type' popup is displayed, containing two options: 'Boiled' (selected with a green radio button) and 'Raw' (with an unselected radio button). Below the popup, there's an 'Enter Quantity (in quintals)' text field. Further down, there's a 'KMS' dropdown set to '11-12' and a 'Purchase From' dropdown set to 'ANGUL'.
