**Total pulses comprises of Arhar Dal - 31%, Mung Dal - 50%, Others - 19%**

**So Arhardal = 79,000 MT, Mung Dal = 1,27,000 MT, Others = 48,000 MT.**

**Total Edible Oil comprises Mustard Oil = 30%, Refined Oil = 47% Others = 15%, Vanaspati = 8%**

**So M.Oil = 43,500 MT, Refined Oil = 70,000 MT, Others = 22,000 MT Vanaspati = 11,500 MT.**

**CONSUMER WELFARE AND PROTECTION**

**A) CONSUMER WELFARE**

The scheme aims at awaring and educating consumers in various ways and means to protect them from harassment of unscrupulous traders, businessmen, manufacturers and service providers etc. as per the followings:

- (i) Awareness campaign and meeting are held by different field offices, voluntary consumer Organisations and NGOs with financial assistance.
- (ii) Workshops are conducted at State level and by Organisations on different topics like Electricity, Telephone, Petroleum and Petroleum Products, Banking, Insurance, Legal Metrology in presence of experts and public.
- (iii) Observance of National Consumers Day and World consumer Rights Day at State and Dist. Level by Government offices and Voluntary Organisations.
- (iv) Printing and distribution of posters and leaflets.
- (v) Advertisement in print and electronic media.
- (vi) Display of awareness messages through wall paintings and Hoardings.
- (vii) Awareness messages through performing art of folk dance and music like street play, Daskathia, Pala, Ghodanacha, Magic show etc.
- (viii) Awareness through setting up stalls in prominent melas, Mahoschavas, Ratha Yatra, Baliyatra, Adivasi Mela to disseminate information, literature, exhibition etc.
- (ix) Discussion and talk shows in local T.V. Channel, Radio and Gramsat Programmes.
- (x) Educating school children under Consumer Club scheme. 500 consumer clubs have been set up with financial assistance of Rs.50.00 lakh during 2006-07 in 500 schools covering 21 districts with assistance and guidance of 25 VCOs/NGOs acting as co-ordinating agency. They have

been educated through teaching, meetings, literatures, booklets, drawing quiz essay and debate competitions, rally, slogan etc.

- (xi) Consumer Counseling Centres have been opened in office premises of the State Commission, District Forum. Local VCOs/NGOs have been selected to assist/guide the consumers before filing cases.
- (xii) State Institute of Consumer Awareness (SICA) has been set up in the premises of OSCSC Ltd. to work as a resource centre and to publish printing materials etc. A Helpline has been set up in the office of SICA to keep note of grievances and to guide the people on PDS and Consumer related activities.
- (xiii) The Additional District Magistrate of the districts are declared as District Consumers Protection Officer for better co-ordination and supervision of work.
- (xiv) A corpus Fund called "Orissa Consumer Welfare Fund" has been created during the year 2004-2005 with Rs.97.00 lakh to provide financial assistance to different organizations to undertake Consumer welfare/awareness activities.

#### **B) CONSUMER PROTECTION :**

The Consumer Protection Act, 1986 was enacted by the Govt. of India with the view to protect the interest of consumers from the unscrupulous traders, businessmen, manufacturers, service providers etc. and provide protective machinery for redressal of their grievances. Accordingly, the State Govt. enacted the rules called "The Orissa Consumer Protection Rules, 1988".

In the State One State Consumers Disputes Redressal Commission called as State Commission and 31 District Consumer Disputes Redressal Forums called District Forum are functioning. One District Forum in each District and additional one at Rourkela has been set up.

The State Commission and each District Forum consists of One President and Two Members, one of whom shall be woman.

Under confonet Project Scheme the State Commission and all District Forums have been computerized.

The State Commission and District Forum having large number of Pending cases conducts Lok Adalat for speedy disposal of cases.

Details of cases filed, disposed in the State Commission and District Forum are given in a separate table.

GOVERNMENT OF ORISSA  
FOOD SUPPLIES & CONSUMER WELFARE DEPARTMENT  
\*\*\*\*

No. PL IP 25/09 21243 (30) /Bhubaneswar dated the 05-X-09  
From

**Shri Manoj Ahuja, IAS  
Commissioner-cum-Secretary to Govt.**

To

All Collectors.

**Sub: Food and Procurement Policy for the Kharif Marketing  
Season 2009-10.**

Sir/Madam,

This is to say that the Government have been pleased to approve the "Food and Procurement Policy" for the Kharif Marketing Season 2009-10. I am directed to communicate below the guidelines on the Food and Procurement Policy for the Kharif Marketing Season (KMS) 2009-10.

1. **Target:-**

Having regard to overall production, total availability of foodstuff in the State, requirement of food-grains and the trend of procurement in the past, the informal procurement target has been fixed at 32 Lakh MTs in terms of rice for the Kharif Marketing Season 2009-10. Out of this, paddy for at least 30 (thirty) Lakh MT of rice will be procured by government agencies, including the Food Corporation of India, and the balance quantity shall be procured through levy procurement. The Food Corporation of India is being requested to procure paddy equivalent to at least 8 Lakh MT of rice.

2. **Agencies:**

- (i) Four State Government agencies/Co-operative Organizations namely, Orissa State Civil Supplies Corporation Limited (OSCSC), National Agricultural Co-operative Marketing

Federation (NAFED), Orissa State Co-operative Marketing Federation (MARKFED) and Tribal Development Co-operative Corporation of Orissa Ltd (TDCC) will procure paddy in the State, either directly from the farmers or with the help of PACS, Cooperatives, WSHGs and Pani Panchayats as State government agencies. Besides the Government may allow other State government organizations/Co-operative organisations to participate in paddy procurement.

- (ii) The Food Corporation of India (FCI) will also procure paddy directly from the farmers in the districts assigned to it. The FCI is allowed to engage agencies to procure paddy from the farmers, directly in the districts assigned to the agency by the State Government during the KMS 2009-10, subject to conditions that the FCI shall be responsible for making payment of cost of paddy to the farmers, in the event of failure of its agencies to do so. The agencies will procure paddy under the overall supervision and control of the Collectors as per the district-wise procurement target assigned by the State Government and the FCI and its agencies will abide by all the directions issued by the State Government from time to time regarding paddy procurement.
- (iii) The FS & CW Department shall allocate the district-wise procurement target among Government agencies and under levy so as to achieve the overall procurement target. The initial informal district-wise procurement target, in respect of all participating agencies will be as at Annexure – “A”.
- (iv) The FS & CW Department shall fix district wise target for raw and boiled rice for delivery under CMR and levy to OSCSC and FCI, depending upon paddy production, rice milling capacity and past performance; in consultation with State Rice Millers' Association, Food Corporation of India and Orissa State Civil Supplies Corporation, keeping in view the requirement under PDS and the need for providing proportionately higher quantities of raw rice to FCI for movement outside the state.

3. **Procurement under the Decentralized Procurement Scheme:**

- (i) The State Government Agencies namely Orissa State Civil Supplies Corporation Ltd, NAFED, MARKFED and TDCC will procure paddy directly from farmers in accordance with the Decentralized Procurement Scheme. The purchase centres of Government agencies shall be opened evenly through out the State in consultation with FS&CW Department and Collectors concerned. Paddy will be purchased by the procuring agencies directly from the farmers, or with the help of PACS, Cooperatives, WSHGs and Pani Panchayats, as per quality specifications laid down by the Government of India and in accordance with the guidelines issued by the FS&CW Department from time to time.
- (ii) The OSCSC will utilize the custom milled rice obtained from the paddy procured by it for distribution through the Public Distribution System in accordance with the Decentralized Procurement Scheme of Government of India.
- (iii) The OSCSC is also allowed to enter into agreements with the State government agencies like TDCC, MARKFED, and NAFED to obtain paddy and/or custom-milled rice (CMR) from these agencies and to distribute the CMR through the Public Distribution System in accordance with the Decentralized Procurement Scheme of Government of India. The OSCSC may provide working capital support to these agencies for the purpose from its own funds.
- (iv) The requirement of foodgrains for State Pool to meet the shortfall in GOI allocation will be procured by the OSCSC Ltd maintaining separate accounts and the balance quantity shall be delivered to Central Pool.

4. **Levy Procurement:**

- I. The Food Corporation of India (FCI) will continue to procure levy rice from the millers @ 75% of the rice milled as levy in all districts as per the district-wise informal levy target indicated in the Annexure "A". The Millers may sell the balance 25% levy free rice in the open market.

- II. The Orissa Rice and Paddy Procurement (Levy) and Restriction on Sale and Movement Order, 1982 as amended from time to time is in force in the State during the Kharif Marketing Season 2009-10. Collectors will ensure that the levy due as per law is collected from the millers before they dispose any stock in open market.

5. **Minimum Support Price of Paddy and Procurement Price of Rice:**

(i) Minimum Support Price of Paddy -

The Government of India have fixed the Minimum Support Price (MSP) of different varieties of Fair Average Quality (FAQ) standard of paddy for the Kharif Marketing Season 2009-10. The Minimum Support Price as announced by the Government of India will be applicable for the State for the Kharif Marketing Season 2009-10. The MSP decided by the Government of India, as at present is given below.

- a) Common Paddy- Rs. 950/- (Rupees nine hindered and fifty) per quintal.
- b) Grade 'A' Paddy-Rs. 980/- (Rupees nine hindered and eighty) per quintal.

(ii) The quality specifications of paddy and rice as decided by Government of India shall be applicable in the State. A copy of the FAQ norm is enclosed at Annexure-'B'

(iii) Procurement Price of Levy Rice: The Procurement price of levy rice and custom milled rice as may be decided by the Government of India will be applicable for the millers and the procuring agencies concerned. The same shall be circulated as and when the same has been received from the Government of India.

6. **Publicity Campaign:**

Wide publicity of the location of the paddy purchase centres, specifications of FAQ paddy and MSP should be given through

press, pamphlets, leaflets, and electronic media besides organizing extensive training programmes for the farmers through the Agriculture Extension Staff / Quality Control Officials out of the funds earmarked in this regard by RMC's and OSCSC Ltd.

**7. Payment of Cost of Paddy**

- (i) Nobody, including the Miller Agents, State Government agencies and Food Corporation of India and its agencies will be allowed to purchase FAQ paddy at prices below the Minimum Support Price fixed by the Government for the Kharif Marketing Season 2009-10. Purchase of FAQ paddy at prices below the Minimum Support Price would amount to violation of the Orissa Rice and Paddy Procurement (Levy) and Restriction on Sale and Movement Order, 1982 and will be punishable under the Essential Commodities Act, 1955.
- (ii) All Government agencies will make payment of cost of paddy by account payee cheque or online through electronic transfers only.
- (iii) Private rice millers may make payment of cost of up to 20% of paddy or Rs. 10,000/- whichever is more, by cash and the balance amount by account payee cheques only. However, if the farmer so desires, the entire cost of paddy shall be paid by the private rice miller also by account payee cheque.
- (iv) Collectors will ensure that the cheques issued by millers are not dishonored and farmers are not inconvenienced due to the system of payment by cheques.
- (v) Payment of at least one third of the total cost of paddy sold should be made on the spot, and the remaining amount should be paid preferably within two days, but not later than seven days in any case. Action should be taken against the procuring agencies, who do not make payment of the cost of paddy within the prescribed period.
- (vi) The Collectors should ensure that during the procurement operations all District/Sub-divisional/ Block and Tahasil level

officers on tour to villages shall ascertain from farmers regarding payment of MSP. Any case of non-payment of MSP should be brought to the notice of the Collector for taking action as per law.

8. **Purchase of Paddy:**

- (i) The Government have decided to allow OSCSC to procure paddy with the help of PACS/ SHGs/ PPs in the decentralized procurement centers to help small & marginal farmers. This will depend upon the availability of experienced & capable PACS/ WSHGs/ PPs.
- (ii) Government agencies are allowed to procure paddy from market yards/temporary yards/Krushak Bazars of RMCs as well as through Paddy Purchase Centre (PPCs) operated by these agencies through their own officials or through PACS, Self Help Groups and Pani Panchayats. These PPCs will be deemed to be temporary yards of the RMCs and the Government agency concerned shall be responsible for payment of the market fees for the transactions made at the PPCs and for maintenance of all records thereof.
- (iii) Private rice millers are allowed to procure paddy from the market yards, Krushak Bazars and temporary yards etc of the Regulated Market Committees (RMC's) only. However, where such yards do not exist within a distance of ten Km from a mill, the Collectors may allow procurement of paddy at the temporary yards set up at the mill-gate with automated weighing facilities on designated days under the supervision of Government officials to ensure proper weighment and payment of MSP.
- (iv) The procedure for the operations, transportation, storage, milling delivery etc., will be worked out mutually between Managing Director, OSCSC and Registrar of Co-operative Societies in case of PACS and between MD, OSCSC Ltd and Director, Mission Shakti in case of WSHGs.
- (v) This procedure is expected to benefit the small and marginal farmers to sell their produce at village level and to save the

expenditure and problems in transportation of paddy to Regulated Market Yards and consequent handling at the Market Yard besides reducing the congestion at Market Yards. OSCSC will provide the working capital requirement while PACS/WSHG/Pani Panchayats will ensure that FAQ paddy is procured from farmers at MSP.

- (vi) The District Collector with the help of CSO cum DM OSCSC, DRCS, Secretary DCCB, DSWO, Deputy Director, Agriculture/DAO, Executive Engineer, Irrigation and any other officer considered suitable by the Collector shall prepare a list of capable PACS/WSHG/ Pani Panchayats who will participate in the paddy procurement operations as agents of OSCSC.
- (vii) Thereafter area of procurement operations of the PACS/WSHG/ Pani Panchayats will be delineated. On an average it is expected that each PACS shall cater to the requirement of 2-3 GP's, whereas the WSHG/ Pani Panchayats may cater to a smaller area. The PACS/SHG/ Pani Panchayats shall procure paddy from all the small and marginal farmers in the tagged area. Depending upon their capacity, they can also procure from middle and large farmers.
- (viii) The area not covered by PACS/WSHG/ Pani Panchayats will then be allocated to different state agencies and FCI so that the entire district is covered uniformly by PPC's.
- (ix) PACS/WSHG/PPs will cater primarily to the needs of small and marginal farmers due to their limited capacity for weighing and quality testing. Farmers with larger quantities of paddy will be encouraged to go to the nearest RMC Yard or if no such yard is available within a distance of 10 kms, a temporary purchase yards set up at a nearby mill gate with automated weighing facilities.
- (x) Collectors can decide the days of the week for paddy procurement operations at different PPC's for procurement of paddy.

- (xi) In consultation with the District Millers Association, Collectors will assign Millers to each PPC. The Rice Millers shall undertake simultaneously the custom milling of paddy procured by state agencies or FCI, as per the agreed terms and conditions and at the rates and norms framed by the Govt. of India. The miller or his representative will remain present on the procurement days. To avoid storage of stocks at the PPC, the assigned millers shall ensure lifting of the paddy on a regular basis.
- (xii) In case of districts where adequate number of millers are not available, the Collector may assign millers from other nearby districts in consultation with the concerned Collectors and MD, OSCSC.
- (xiii) The Collectors shall review the progress of custom milling and lifting of paddy from decentralized PPCs run by PACS/WSHG's / Pani Panchayats on a regular basis, and take necessary action for ensuring paddy is regularly lifted by millers.
- (xiv) Farmers will bring FAQ paddy to the PPC's. Collectors should encourage WSHG's and private persons to provide paddy cleaning services at each PPC. Private entrepreneurs with power cleaners should also be actively encouraged. Collector can invite & finalise tenders for private entrepreneurs to provide cleaning services at PPCs / Mandis in the district. Farmers should have this facility available on payment basis.
- (xv) The WSHG's are authorized to purchase upto 15 quintal paddy from a farmer during the entire KMS in cash. Quantities of more than 15 quintal may be purchased only against account payee cheque to be issued by the WSHG or by the State government agencies. The Government agency concerned shall lift the paddy from the WSHG concerned at least once every fortnight or more frequently, if required, so that WSHG's/farmers do not face any inconvenience.
- (xvi) All payments by the State Government agencies to the WSHG's shall be made only by account payee cheques.

- (xvii) All the State Government agencies shall submit a computerised list of farmers from whom paddy has been purchased, along with details, on a daily basis to the concerned Collectors.

**9. Equipment**

Collectors will assess the requirement of equipment required at market yards / PPC's necessary for carrying out procurement operations. The orders for these shall be placed at the District level and funds provided by the concerned RMC's and OSCSC Ltd. It shall be ensured that all PPCs have the necessary infrastructure in place before the starting of procurement operations.

**10. Identification of Farmers:**

- (i) The OSCB through PACS has made a list of nearly 52 lakhs agriculture households across the State. It includes 33 lakhs KCC holders of Co-operative banks and 12 lakhs KCC holders of commercial banks. This list shall form the base list for identification of farmers.
- (ii) OSCB through PACS shall take steps to update and computerize the list by September 30, 2009. Thereafter the Panchayat wise list shall be prepared in each district.
- (iii) All the FIC shall be verified and renewed with the help of revenue officials. The FICs should bear a unique member and be printed in a manner that these documents are not easily forged. A list of FICs renewed shall be computerized and maintained in each district, Panchayat wise.
- (iv) Genuine Farmers may be allowed to sell their paddy through KCC Land Pass Book/Record of Rights (Patta), FIC, Certificate of revenue officials etc supported by Electors Photo Identity Cards (EPIC). In case the farmer has a KCC or Land Pass Book, FIC will not be necessary.
- (v) Collectors will ensure that no genuine farmer is denied access to paddy procurement operations and that the farmers do not

face any difficulties in getting Farmers Identity Cards/other identity documents.

- (vi) Share-croppers ('bhag-chasi') will be provided FIC's with the consent of the farmer concerned in order to enable them to sell paddy at the MSP. They will be allowed to sell paddy to Government agencies on the basis of such FIC's or any other identity document approved by the Collector/Government.

**11. Delivery of Rice/Enforcement Certificates:-**

- (i) The delivery of rice by millers/custom millers/procuring agencies to the FCI/OSCSC will be made on the basis of Enforcement Certificate (EC) countersigned by the District Collectors. In order to have uniformity in the procedure and to prevent malpractices, the certificate will be compulsory for all the agencies. In case of paddy procured directly by the FCI from the farmers, without any intermediary agency, the EC will be issued by the Area Managers of the FCI. In all other cases, EC will be countersigned by the Collectors.
- (ii) Collectors will ensure that the Enforcement Certificates are issued within 24 hours from receipt of the request. In the event of absence of Collector from the district, the certificate will be countersigned by the Collector in-Charge or a senior officer authorized by the Collector on this behalf so that there is no delay in issuing the certificate.
- (iii) The levy target of the rice mills should be fixed scientifically on the basis of milling capacity, storage capacity of godowns, infrastructure facilities of the mills such as boiler, dryer, drying yards etc and financial capacity of the miller. Collectors should verify the above aspects before fixing the Miller's target and will also ensure that levy due is collected from each rice mill before it is allowed to sell the "free-sale" stock.
- (iv) There should be strict monitoring of Enforcement Certificate, which should be countersigned by the Collector of the district or officers authorized by the Collector on the basis of paddy purchased by the miller agents/procuring agencies on being satisfied that they have purchased paddy from the farmers on

payment of the minimum support price and rice has actually been milled from such paddy.

- (v) The Enforcement Officer shall periodically and not less than once a week, verify the paddy and rice stocks in the mill and furnish all information to the Collector for issue of the Enforcement Certificate in the relevant form. He should also verify the stocks received from government agencies and ensure that the stocks are physically available.
- (vi) The electricity/energy bills and the infrastructure facilities of the mills and records relating to VAT, etc shall be checked by the Enforcement Officer while furnishing the Enforcement Certificate to assess whether the mills have actually produced the specified quantities and varieties of rice during the period.

12. **Uncertified Boilers:-**

Millers having uncertified crude boiler should not be allowed to undertake procurement and processing of paddy into parboiled rice with such uncertified boilers. However, mills may be allowed to process and deliver raw rice if they do not have boilers for producing parboiled rice.

- 13. Some districts in the State have inadequate milling capacity compared to paddy production. Appropriate arrangements should be made for procurement of paddy in such districts by Government agencies and private rice millers and for milling of such paddy in districts where surplus capacity exists.

14. **Trading in rice and paddy:-**

- (i) As per the Removal of (Licensing requirements, Stock limits and Movement Restrictions) on Specified Foodstuffs Order, 2002 issued by Government of India, any dealer may freely buy, stock, sell, transport, dispose, acquire, use or consume any quantity of paddy/rice and shall not require a permit or a license there for under any order issued under the Essential Commodities Act, 1955. However, appropriate safeguards should be taken to ensure the payment of Minimum Support Price at the time of purchase.

- (ii) There shall be no restriction on movement of rice and paddy by producers/cultivators from one district to another within the State and to outside the State. However, Minimum Support Price must be paid for purchases and appropriate supporting documentation should be kept on record and produced on demand by competent authorities.
15. The Food Supplies and Consumer Welfare Department shall have the power to prescribe operational guidelines and to issue clarifications, as and when required, to achieve the objectives of the Food and Procurement Policy for the KMS 2009-10, which would be final and binding on all agencies procuring paddy and coarse-grains in accordance with the "Food and Procurement Policy".
16. (i) The Collectors of the districts will be personally responsible for monitoring procurement, ensuring payment of Minimum Support Price to farmers and preventing recycling of subsidized rice.
- (ii) There shall be a control room setup at each district level during the time of actual procurement operations. Collectors shall review the progress of procurement on a regular basis. Daily procurement of paddy at the decentralized PPCs and lifting by miller agents shall be closely monitored. In case of slow lifting by millers, Collector should take necessary action to ensure lifting of paddy from PPCs by the designated miller agents.
  - (iii) The Collectors and the procuring agencies shall finalize the procurement programme immediately so as to ensure timely lifting of paddy arriving in market yards, Krushak Bazars and payment of farmers' dues in time.
  - (iv) Collectors shall draw up a plan for detailed verification through Revenue Officers of at least 10% of the farmers who have sold more than 100 quintals of paddy at PPC's/Mandi's during the KMS 2009-10.
  - (v) All Collectors are instructed to immediately convene meeting of the District Level Committees on procurement, constituted

in accordance with guidelines issued for the last KMS, and to review the arrangements for procurement so that all arrangements and infrastructure are in place before arrival of paddy in the market.

You are instructed to implement the "Food and Procurement Policy" scrupulously. The district administration should make all out effects to prevent distress sale of paddy and timely payment of all legitimate dues to the farmers in all transaction.

Yours faithfully,

Commissioner-cum-  
Secretary to Govt.
